## TO OUR FRIENDS AND CUSTOMERS:

For the past fifty years we have been engaged in growing and handling Hardy Native American Plants. You have supported us by your orders and recommended to others our service and products. We shall endeavor to merit and hold your confidence from season to season, that all concerned may have pleasure and profit thereby.

My Spring Catalog will be ready about March 20th. Your copy will be sent as soon as received from the printers. In it you will find listed Ornamental Plants suitable for all requirements.

LIMITED 60-DAY OFFER: On all orders for our nursery stock for delivery Spring, 1942, WE WILL PREPAY ALL TRANSPORTATION CHARGES TO DESTINATION AT NET PRICES IN THIS OFFERING, PROVIDED THE FULL AMOUNT IS SENT IN CASH WITH ORDER ON OR BEFORE MARCH 20, 1942.

This EXTRAORDINARY OFFER carries a large saving in cash to customer at our expense to induce early orders that will help us move many thousands of plants early in the season in planning our Spring Planting. THIS IS A CASH SAVING OPPORTUNITY. IT WILL PAY YOU TO BUY NOW. All orders guaranteed to arrive in good condition and to be as represented. RESERVE YOUR STOCK NOW WHILE ASSORTMENT IS COMPLETE FOR LATER DELIVERY.

Look over this list promptly, letting us have your order at early convenience, remembering it will have very careful attention. The binding consideration is Order must be placed before March 20th with full payment. Delivery will be made at proper planting season, early spring or when wanted to best serve customer.

Your continued good will and patronage will be thoroughly appreciated by the undersigned, who will use every personal effort to make the business relations between yourself and GARDENS OF THE BLUE RIDGE mutually pleasant.

TIME LIMIT MARCH 20, 1942.

Yours very truly,  
E. C. ROBBINS

## LEAF-MOLD

The Plant Food that nature intended. This material is collected from dense Rhododendron beds. It has no artificial treatment. Renovate your plantings, Azaleas, Rhododendrons, Kalmias, Leucothoe, Andromedas, Hemlocks, Pines, Orchids, Ferns, Lilies, Trilliums, Perennials, and all Natives, with Nature's own provided Plant Food. "BEST BY TEST."

This treatment will feed the Plants, and give your soil proper acid condition to insure the best in flower, foliage, and root system. Also build up your lawn with this product. Cheaper to protect than to replace.

Special price will be quoted on request.
